

Su Arts e.V., Offenbach - Press release from 01.08.2023

MainWeltmusik Festival 2023

Songs without borders connect nations - a musical festival of solidarity and worldwide understanding.

The 9. International "MainWeltmusik" Festival will take place under the patronage of the Hessian Minister of Economy, Energy, Transport and Housing Mr. Tarek Al-Wazir and the Lord Mayor of the City of Offenbach Dr. Felix Schwenke, on September 9th and 10th, 2023 in the concert hall "Jacques Offenbach" of the Büsing-Palais, the architectural masterpiece from the 18th century in the heart of Offenbach.

The cultural event is among others sponsored by the Hessian Ministry of Science and Art, the KulturFonds Frankfurt RheinMain GmbH, the OSG Marketing GmbH, the Sparkasse Offenbach, the Public Relations Office of the City of Offenbach and the Office for Cultural and Sports Management of the City of Offenbach.

The endless power of art, culture and music is used to bring people together in a musical celebration that transcends boundaries and sings songs of peace, solidarity and hope in unique musical traditions.

The International "MainWeltmusik" Festival brings together numerous dance and music groups from different countries of the world since nine years. It aims to promote the coexistence of people in the RhineMain region by providing a platform for the diversity of their own culture, regardless of language, religion and nationality. The only common language in the world is music, as unlike the spoken language, the world of music has no barriers to understanding; anyone who listens to a melody with an open heart understands what is being passed down and is immersed in the world of the singer.

This festival is dedicated to you and your never-ending dreams - and to those who share them!
